ALKIMIA × OAK BERRY

Proposal
October 2026

Digital Media Support

A dedicated Designer and Paid Media Trafficker to cover the full Digital Media scope for franchise growth. Plug & play, with no learning curve and no agency queue.

SCOPE OF WORK

Designer

Local key visuals and graphic assets

- Adapt corporate creative for each market and store opening
- Coming Soon, Grand Opening and Now Open toolkits
- Meta, CRM and Thanx assets: static, carousel, Story and Reel
- A/B creative variants, LTO and seasonal adaptations
- Franchisee asset requests and monthly creative refreshes
- Asset library management, brand guidelines upheld

Paid Media Trafficker

Geo-targeted, multi-platform campaigns

- Build and manage Meta campaigns by location
- Pre-Open, Grand Opening and Always-On budget structures
- Geo-targeting, audiences, retargeting and A/B tests
- Pacing and franchisee budget monitoring
- Tracking and attribution (pixels, UTMs)
- Weekly optimization and monthly performance report
- **Performance dashboard** built for Oakberry, **included at no extra charge**

WHY THIS APPROACH

Speed · **Cost efficiency** · **Scalability** · **Franchisee support** · **Executive visibility** · **Long-term sustainability**

One senior resource covering both profiles, briefed and managed by Alkimia. Available through the end of the year. Taxes covered by Alkimia.

$2,500
per month, all-in
